Attention Director,

I am asking that my application be pulled out and moved forward in the consideration process due to health reasons. (MPEP 708.02 III Applicants Health) Since turning in my application my health has deteriorated considerably. Attached is a letter from my doctor listing my medical conditions. I would like for my application to be moved forward due to my worsening health condition and the fact that I believe that my idea will be beneficial and save lives. Thank you for your time and consideration.

Sincerely,

Michael L. Harrison

RE: Michael Harrison

To Whom It May Concern:

Mr. Harrison is unable to work and unable to get any medical insurance for the following reasons: he has sarcoidosis, osteoarthritis, cerebral vascular accident and pituitary adenoma requiring him to take all of the hormones associated to the pituitary glands to keep his body functioning. He has a right hemiparesis secondary to his previous stroke. Please consider that he has no means of ever maintaining gainful employment or acquiring private health insurance.

Sincerely,
